(Registration required)

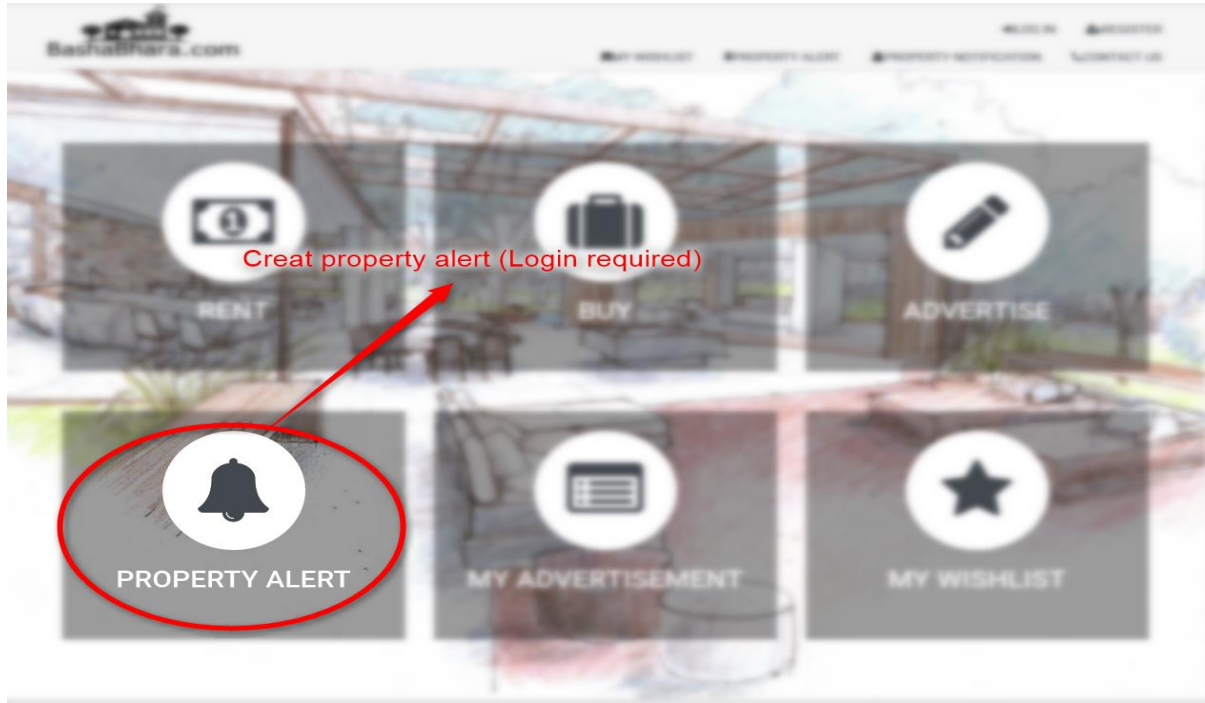

❖ Wish List:

- ✓ If anybody choose an advertisement of a property and want to see that later he/she can add that advertisement in his wish list. Registration and sign in is mandatory here.

❖ Property Alert:

- ✓ This section is for creating an alert with one's own requirements. If any advertisement is posted with high similarity our site will notify the particular user.

- ✓ Creating a property alert.

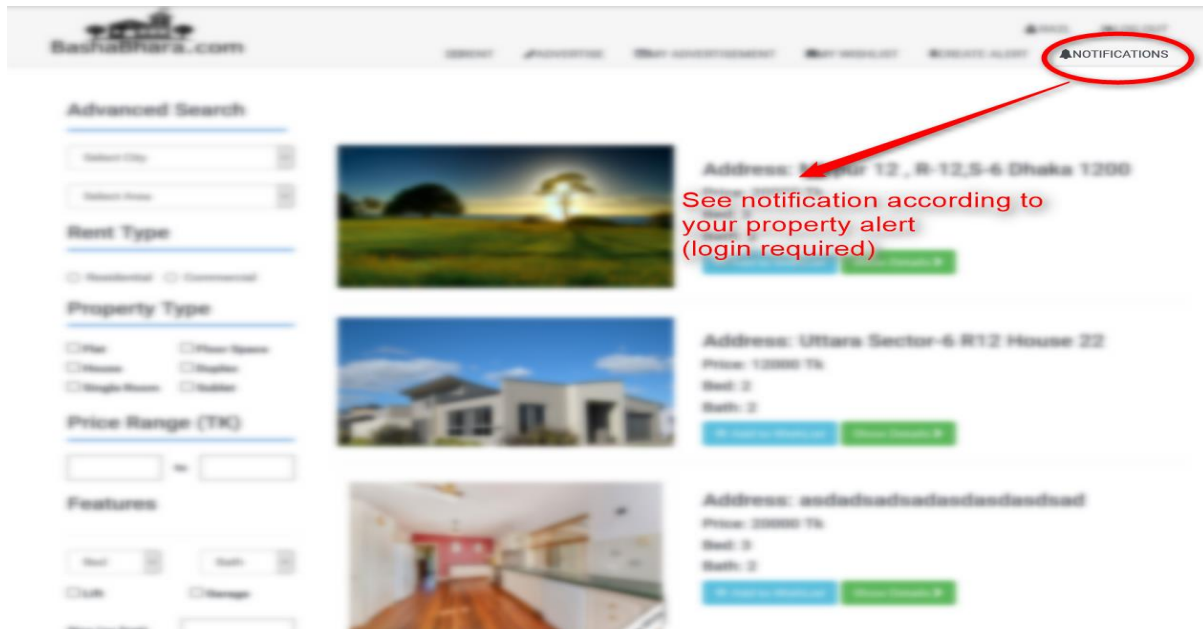

A screenshot of the 'Post Your Advertisement Here' form on BashaBhara.com. The form includes the following fields:

- Location:** Division (Khulna), City (Khulna), Area (Mohakhali).
- Listing Type:** Radio buttons for Residential and Commercial.
- Price Range:** Two input boxes separated by 'to'.
- Specifications:** Property Type (Duplex), Bed (input box), Bath (input box).

A red text overlay 'Creating a property alert' is positioned to the right of the Price Range field.

❖ Notification:

- ✓ If anybody has created a property alert then he will be notified through this option.

- ✓ One registered user can see the notifications from admins. If any advertisement is posted according to one's desired specifications which he/she created in property alert section will be notified through this section.

BUY NOTIFICATIONS

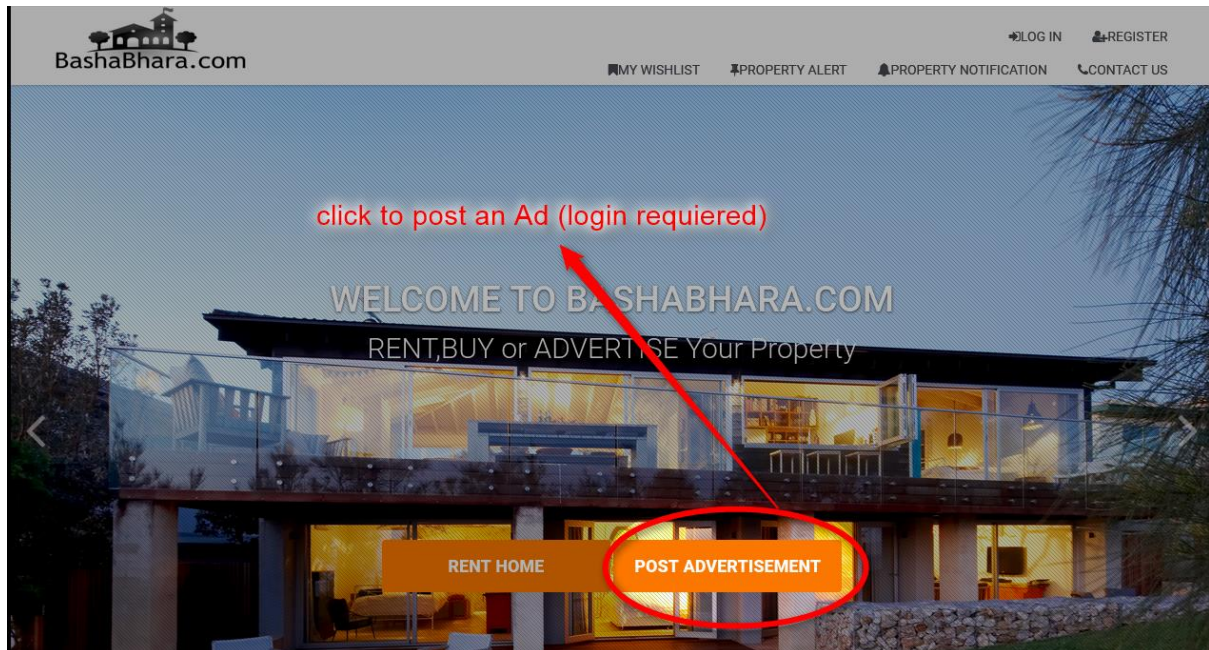

NOTIFICATIONS
>General Notification
>Rent Alert Match
>Buy Alert Match

Notification page. One registered user can see all the notifications.

[Manual for Advertiser](#)

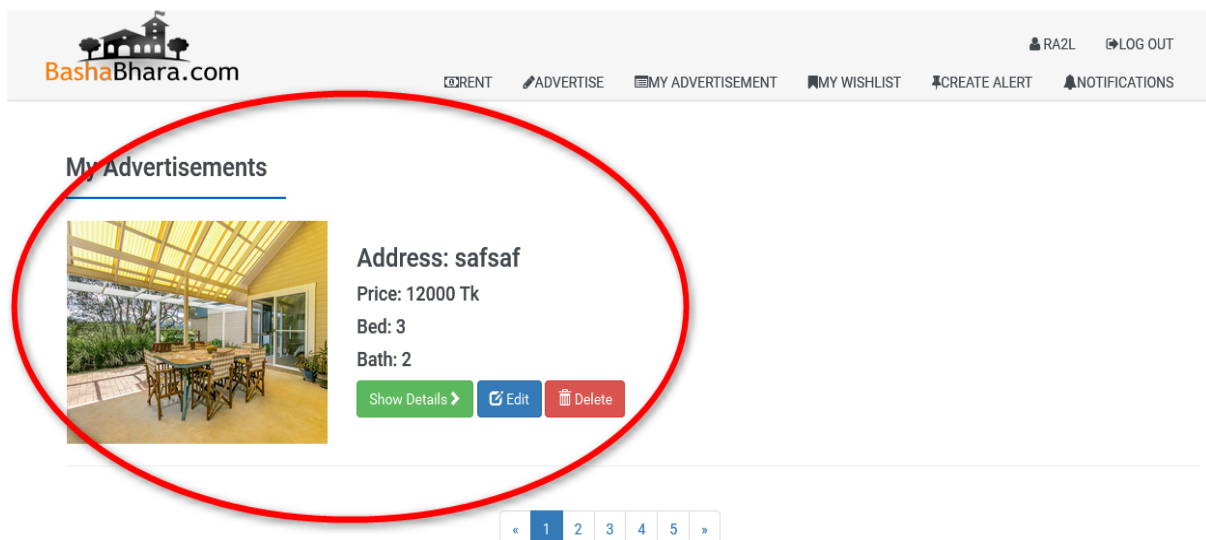

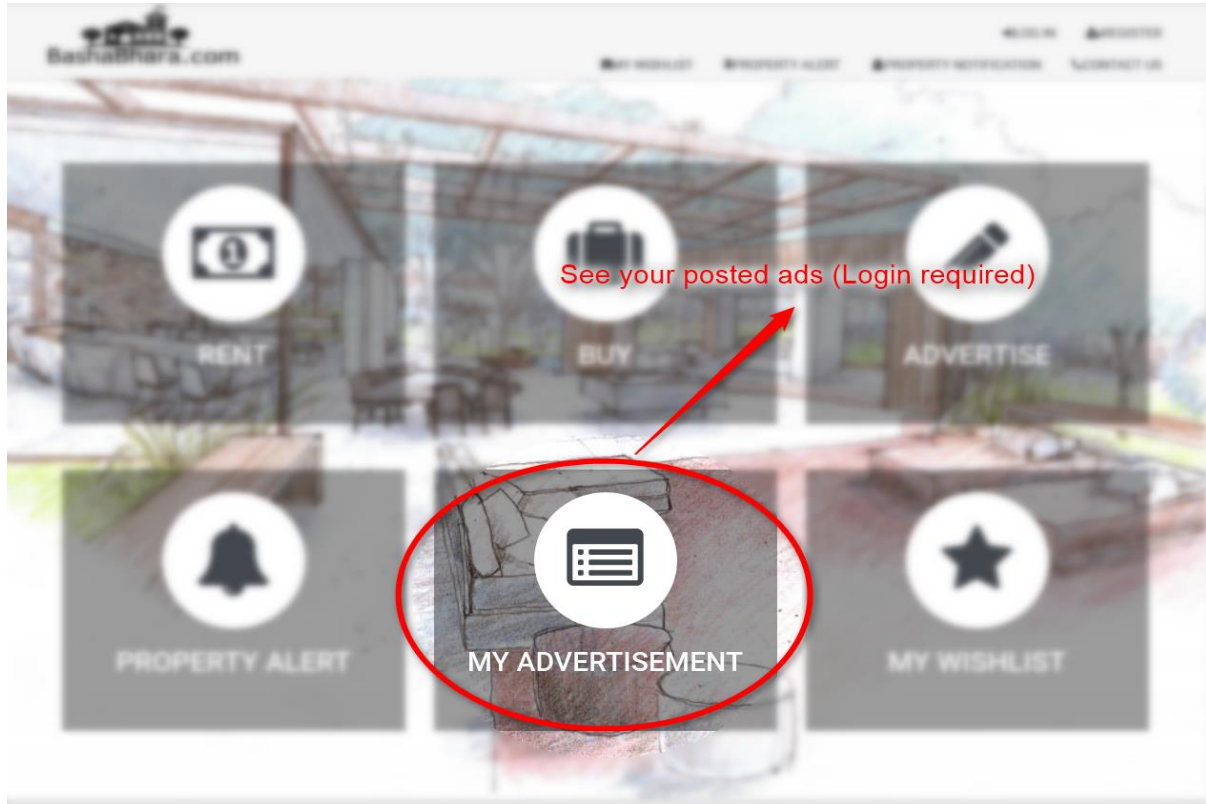

- ✓ To become an advertiser registration is a must. Log In to system is required to post an advertisement.

❖ Post an Advertisement:

A screenshot of the 'Post Your Advertisement Here' form on BashaBhara.com. The form is titled 'Post Your Advertisement Here' and is circled in red. It contains several sections: 'Location' with dropdowns for Division (Dhaka), City (Dhaka), and Area (Uttara); 'Rent Type' with radio buttons for Residential and Commercial; 'Property Specification' with a dropdown for Property Type (Duplex), text boxes for Property Name, Property Address, Property Size (Square ft), Bed, and Bath; and 'Listing Type' with checkboxes for Lift and Garage. The header includes the logo, navigation links (RENT, ADVERTISE, MY ADVERTISEMENT, MY WISHLIST, CREATE ALERT, NOTIFICATIONS), and user options (RA2L, LOG OUT).

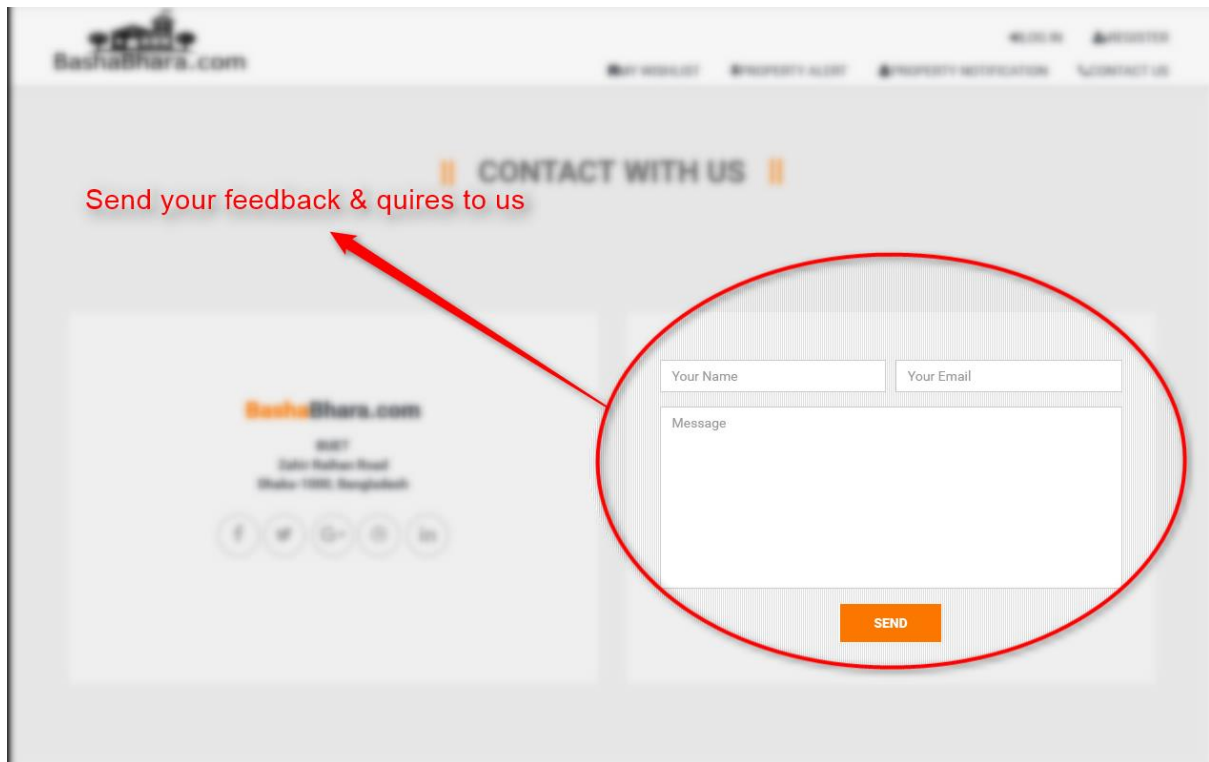

❖ My Advertisement

- ✓ An advertiser can see his/her posted advertisement and can edit or delete them selecting my advertisement from home page.

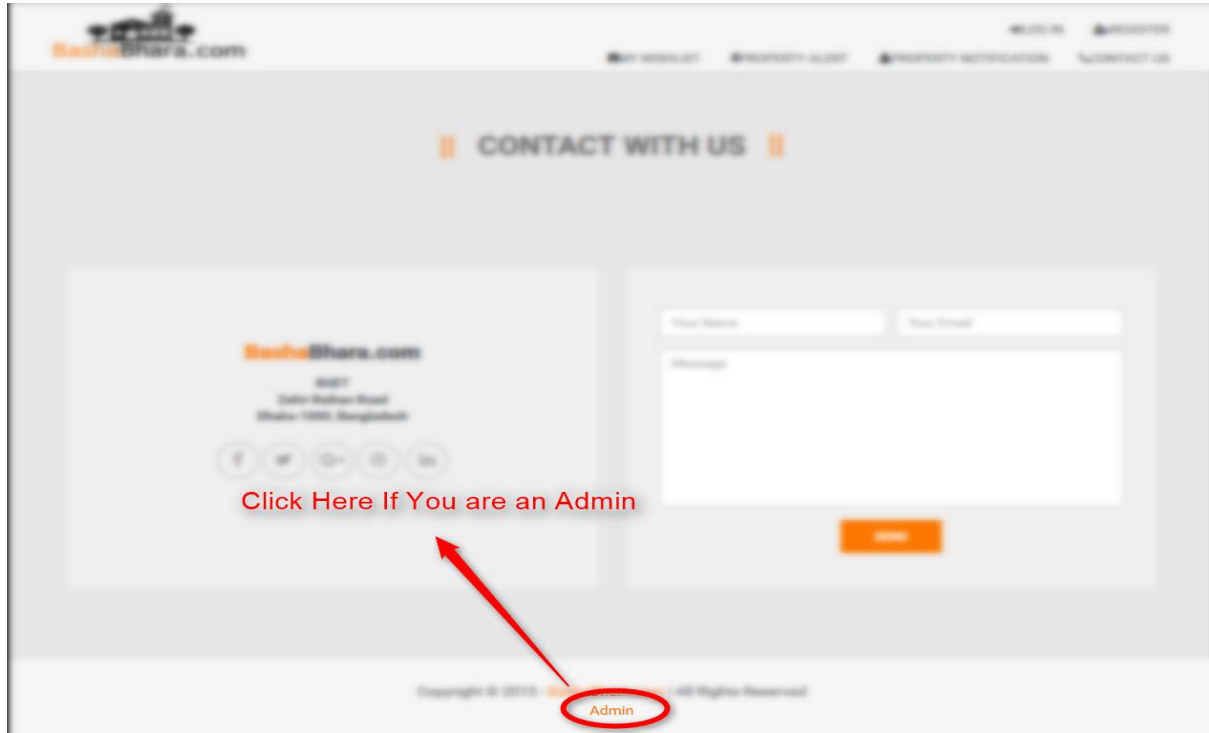

❖ **Communication:**

- ✓ Any visitor can contact us by directly sending message to our admin

Manual for Admins

- ✓ If you are an admin hit the admin button on the bottom of the website to access admin panel.

❖ Admin Log In:

- ✓ After hitting admin button login page will appear. No one can register. Only some selected persons are allowed to log in to admin panel.

❖ Discussion Board:

- ✓ In this section admins can discuss among themselves on various topics. Actually its an open board, so every admin can see these messages. If anybody faces a problem he/she can write it to the discussion board and the others together can solve it.

The screenshot shows the 'Discussion Board' section of an admin dashboard. On the left is a sidebar with links: Tools, Discussions, Reported Advertisements, User List, Other Admins, Other Messages, and Logout. The main area displays a list of discussions, each with a user profile, name, timestamp, and message content. A red circle highlights the 'Discussion Board' link in the sidebar. A red box highlights the 'Add a Discussion' form on the right, which includes a text input field and a 'Post' button. A red arrow points from the 'Post' button to the text 'Just type something and hit Post to add a discussion'. Another red arrow points from the first discussion post to the text 'Discussion From Other Admins'.

Discussion From Other Admins

❖ User List:

- ✓ Here Admin can see all the registered users and their details. If any user violates the rules admin can delete the user or notify him to correct the things.

The screenshot shows the 'User List' section of an admin dashboard. At the top, there's a 'Dashboard' header with a user profile 'ratul' and a 'Logout' button. Below the header is a sidebar with links: Tools, Discussions, Reported Advertisements, User List, Other Admins, Other Messages, and Logout. The main area displays a table of users with columns for Username, Email, Delete, and Notify. A red box highlights the 'Users' link in the sidebar. Another red box highlights the 'Delete' and 'Notify' buttons in the table. A red arrow points from the 'Delete' button to the text 'Delete Button'. Another red arrow points from the 'Notify' button to the text 'Notify Button'.

❖ Other Admins:

- ✓ In this section an admin can see the other admins and their contact information as well as their working division.

The screenshot shows the 'Other Admins' section of the admin dashboard. The dashboard header includes 'Dashboard', a user profile 'ratul', and a 'Logout' button. The left sidebar contains a 'Tools' menu with options: Discussions, Reported Advertisements, User List, Other Admins, Other Messages, and Logout. The main content area displays a table of other admins:

Admin names	Email	Division
ahsan	ahsanali@gmail.com	Dhaka
shifat	shifat@gmail.com	Chittagong

Red annotations highlight the 'Admin names' and 'Division' columns. A red arrow points from the 'Division' column to the text 'Admin's Working Division'. Below the table, the text 'Name of Other Admins' is written in red.

❖ Other Messages:

- ✓ In this section admin can see the messages from users and visitors and reply them accordingly.

The screenshot shows the 'Other Messages' section of the admin dashboard. The dashboard header includes 'Dashboard', a user profile 'ratul', and a 'Logout' button. The left sidebar contains a 'Tools' menu with options: Discussions, Reported Advertisements, User List, Other Admins, Other Messages, and Logout. The main content area displays a message from a user:

Name: farabi Email: farabi@gmail.com 2015-12-11 00:00:00

i want to rent a house more suitable than the naturals .

★ Mark as read

Red annotations highlight the '★ Mark as read' button and the message content. Two red arrows point from the '★ Mark as read' button to the text 'Click to ensure raeding a message' and 'Messages from users/visitor'.

❖ Log Out:

- ✓ After all work done just hit the log out button for logging out.

The screenshot shows the 'Other Messages' section of the admin dashboard. The dashboard header includes 'Dashboard', a user profile 'ratul', and a 'Logout' button. The left sidebar contains a 'Tools' menu with options: Discussions, Reported Advertisements, User List, Other Admins, Other Messages, and Logout. The main content area displays a message from a user:

Name: farabi Email: farabi@gmail.com 2015-12-11 00:00:00

i want to rent a house more suitable than the naturals .

★ Mark as read

A red arrow points from the 'Logout' button in the sidebar to the text 'Hit logout button for logging out from admin panel'.
